Examples of Grievances

An **“Academic Grievance”** means a written complaint where a student or prospective student believes they have received unreasonable treatment in relation to matters such as:

- Academic progression
- Assessment and grading matters
- Course content, structure or delivery
- College decisions in relation to academic misconduct
- Supervision of internship placements
- Copyright or intellectual property

A **“Non-Academic Grievance”** means a written complaint where a student or prospective student believes they have received unreasonable treatment in relation to matters such as:

- College decisions in relation to non-academic misconduct
- Financial status of a student (except in relation to Tuition Fee or FEE-HELP Refunds)

The college expects most complaints can be resolved with informal resolution (Stage 1). Informal resolution provides the best opportunity for open and direct dialogue and is the most time effective strategy.

However when if this informal approach does not lead to an acceptable resolution then a formal grievance process can be initiated under Stage 2 by lodging this 'Formal Grievance Form'.

You can lodge your completed application to the Office of the Registrar at the Student Services Desk of your campus.

Your completed application must be received by the Office of the Registrar within ten working days of the informal resolution process. If, in the opinion of the Grievance Officer, the grievance is frivolous or unjustified, the decision will be communicated to the Complainant within ten working days of the acceptance of the completed grievance application including reasons for the decision. The matter will be considered closed.

If, in the opinion of the Grievance Officer, the grievance is justified, they will commence their investigation.
